Strange- I sent two PDF's on my earlier email- one for the downtown sites, and one with the POLA sites. I've attached the POLA one again here.

Nate,

What are the locations of the POLA sites? How many of them are there?

Thanks.

Hi Lorena and Bob,

Here are the Port's proposed bikeshare locations as well as the initial review of bikeshare station areas in San Pedro. (Since these are just proposals, we'd prefer that they not be widely circulated/published.)

As you can see, the site on the sidewalk in front of the Topaz is viewed by the rideshare experts at Metro and LADOT as the ideal location for attracting riders, though of course we are interested in learning about any site-specific challenges and are still studying the different options. Feel free to give us further feedback.

Best,

Nate

Nate,

I wanted to put you in contact with Bob Iannessa. He is the property manager for the Topaz building located at

222 W. 6th Street. His contact number is [310-514-2400](tel:310-514-2400).

In speaking with David yesterday (on a different topic) he mention that you were going to reach out to us this week regarding the Metro Bike Share program and alternatives on putting a station in downtown San Pedro.

Can you also provide the Bike Share locations that will be installed along the LA Waterfront on POLA property? This will be helpful.

Best regards,
